Presenzii certificatului, calitatii de productie, conform regularilor raportului de incercari de laborator,

respectiv limitile maxime admise (LMA) de rezidui de pesticide si de nitriti, aprobate de Institutul national

de cercetare stiintifica si tehnologica si de catre organismele competente pentru analiza de laborator.

This is to certify that the certificate and analysis reports are in accordance with the maximum acceptable

limits (LMA) of pesticide and nitrite residues, approved by the national research institute for

scientific and technical research and by the competent bodies for laboratory analysis.

Констатируется соответствие качества продукции, согласно регулярного отчета об испытаниях,

в частности, пределы максимальной допустимой остаточной концентрации пестицидов и нитритов,

одобренных Национальным научно-техническим институтом исследований и технологического центра,

и одобренных компетентными органами для лабораторного анализа.
