### **Conditions of Licence**

- 1) This licence and any certificate of retention in force shall be kept on the approved premises and shall be produced at the request of an Inspector appointed under the Drugs and Cosmetics Act, 1940.
- 2) If the licensee wishes to undertake during the currency of the licence the manufacture of any drug specified in Schedules C and C (1) [excluding those specified in Schedule X] not including above, he should apply to the Licensing Authority for the necessary endorsement as provided in Rule 75(3). This licence will be deemed to extend to the items so endorsed.
- 3) Any change in the [competent technical staff] named in the licence shall be forthwith reported to the Licensing Authority.
- 4) If the licensee wants to manufacture for sale additional items of drugs not included above he should apply to the Licensing Authority for the necessary endorsement as provided in Rule 69(5). This licence will be deemed to extend to the items so endorsed.
- 5) The licensee shall inform the Licensing Authority in writing in the event of any change in the constitution of the firm operating under the licence. Where any change in the constitution of the firm takes place, the current licence shall be deemed to be valid for a maximum period of three months from the date on which the change takes place unless, in the meantime, a fresh licence has been taken from the Licensing Authority in the name of the firm with the changed constitution.
