To Whom It May Concern,

it has been more than a year since we, wiredminds GmbH, are working on an ongoing project with Power IT. wiredminds GmbH provides premium lead management services and deanonymization of website traffic for their customer to power up sales & marketing.

It is with much appreciation that I am writing to recommend the services of Power IT. Power IT offered the assistance of their specialists among which developers, architects, and QA specialists. They continue to successfully guide us with the best solutions as well as implementing them with success. Together with this strong partnership we can power up our best customer experience.

We recommend Power IT with confidence as a provider that delivers high quality services.

If you have any questions, please feel free to contact me.

Kind regards,
