# **Product datasheet**

Specifications

# APC Easy UPS On-Line SRV 3000VA 230V

SRV3KI

### **Overview**

| Presentation           | High quality, Double-conversion On-line UPS designed for essential power protection needs even in the most unstable power conditions. |
|------------------------|---|
| Lead time              | Usually in Stock  |
| Main                   |   |
| Main Input Voltage     | 230 V   |
| Other Input Voltage    | 220 V<br>240 V  |
| Main Output Voltage    | 230 V   |
| Other Output Voltage   | 220 V<br>240 V  |
| Rated power in W       | 2400 W  |
| Rated power in VA      | 3000 VA   |
| Input Connection Type  | IEC 60320 C20   |
| Output connection type | 6 IEC 60320 C13<br>1 IEC 60320 C19  |
| Cable length           | 1.5 m   |
| Number of cables       | 1   |
| Provided equipment     | 1 IEC 60320 C19 to Schuko power cable 1 IEC 60320 C13 to C14 power cable 1 USB cable 1 RS-232 configuration cable user manual         |

#### General

| Number of power module filled slots | 0  |
|-------------------------------------|----|
| Number of power module free slots   | 0  |
| Redundant                           | No |

## **Physical**

| Colour | Black (RAL 7010) |
|--------|------------------|
| Height | 33.6 cm          |
| Width  | 19 cm            |

Disclaimer. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications

| Depth                                 | 42.5 cm  |
|---------------------------------------|--|
| Net weight                            | 26.8 kg  |
| Mounting location                     | Front  |
| Mounting preference                   | No preference  |
| Mounting mode                         | Not rack-mountable                                       |
| USB compatible                        | Yes  |
| Mounting position                     | Vertical   |
|                                       |  |
| Input                                 |  |
| Input voltage limits                  | 110285 V half load<br>160280 V full load                 |
| Network frequency                     | 4070 Hz auto sensing                                     |
|                                       |  |
| Output                                | 2000.1/4   |
| Maximum configurable power in VA      | 3000 VA  |
| Maximum configurable power in W       | 2400 W   |
| Output frequency                      | 50/60 Hz +/- 3 Hz sync to mains                          |
| Harmonic distortion                   | 3 %  |
| UPS type                              | Double conversion online                                 |
| Wave type                             | Sine wave  |
| Efficiency                            | 88 % (full load)   |
| Additional information                | Configurable for 220 : 230 or 240 nominal output voltage |
| Bypass type                           | Internal bypass (automatic and manual)                   |
| Crest factor                          | 3:1  |
| Conformance                           |  |
| Product certifications                | CE   |
| Product certifications                | UKCA   |
|                                       | EAC<br>TISI  |
| Standards                             | EN/IEC 62040-1:2019/A11:2021                             |
|                                       | EN/IEC 62040-2:2006/AC:2006<br>EN/IEC 62040-2:2018       |
|                                       |  |
| Environmental                         |  |
| Ambient air temperature for operation | 040 °C   |
| Relative humidity                     | 095 % non-condensing                                     |
| Operating altitude                    | 03000 m  |
| Ambient air temperature for storage   | -2050 °C   |
| Storage Relative Humidity             | 095 % non-condensing                                     |
| Storage altitude                      | 015000 m   |
| Acoustic level                        | 50 dBA   |
| Heat dissipation                      | 910 Btu/h  |
| IP degree of protection               | IP20   |

#### **Batteries & Runtime**

| Battery type                   | Lead-acid battery |
|--------------------------------|-------------------|
| Battery voltage                | 72 V              |
| Number of battery filled slots | 0                 |
| Number of battery free slots   | 0                 |
| Battery recharge time          | 4 h               |
| Battery life                   | 35 year(s)        |
| Replacement battery            | APCRBCV205 ☐      |
| Battery charger power          | 60 W rated        |

### **Communications & Management**

| Alarm         | Alarm when on battery : distinctive low battery alarm : overload continuous tone alarm |
|---------------|--|
| Free slots    | 1  |
| Control panel | Multifunction LCD status and control console   |

#### **Surge Protection and Filtering**

Surge energy rate 600 J

# **Packing Units**

| Unit Type of Package 1       | PCE     |
|------------------------------|---------|
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 46.5 cm |
| Package 1 Width              | 32.5 cm |
| Package 1 Length             | 56.5 cm |
| Package 1 Weight             | 29 kg   |

#### Offer Sustainability

| EU RoHS Directive           | Compliant EU RoHS Declaration |
|-----------------------------|-------------------------------|
| Optimized Energy Efficiency | Energy efficient product      |

## **Contractual warranty**

Warranty 2 years repair or replace

#### Recommended replacement(s)
