Project: Republic of Moldova, state tender business

We, PFU (EMEA) Limited are a Ricoh company that is a reputable and recognized scanner manufacturer and market leader in information and communication technology (ICT), offering a full range of technology products, solutions and services for digital document processing. Herewith we confirm the full Distribution status embedded in the European PFU Service & Warranty concept of our Partner

Ultra Distribution S.R.L.

located at **6V Ion Creanga street, MD-2069 Chisinau, Republic of Moldova** to process the import and delivery of our

ScanSnap, SP-series & fi-series scanners, projectors & Smart Media devices

as announced in our actual official monthly price list. We confirm our full supplier warranty on PFU scanners supplied by this partner and his right to offer supplier supported warranty extensions. Together with its reseller partner our distribution partner is authorized to organize the installation and the maintenance of these products in line with the PFU service concept.

We confirm, that we have registered in this project as Reseller Partner

BTS PRO S.R.L.

6V Ion Creanga street, MD-2069 Chisinau

to take part in the tender.

Munich, 22nd May 2025

Yours sincerely,

PFU (EMEA) LIMITED
