RECOsystems RECO LAM 221

laminator for laminating pouches (A4)

The RECOsystems RECO LAM 221 is a laminator for home or small office use. If you need to protect paper from humidity and dirt or want to give it a more glossy finish - this is the perfect machine for small quantities and for sizes up to A4. The machine uses the modern hot-shoe technology and therefore has a short heating up time and a very good laminating result.
