EC Certificate

Full Quality Assurance System according to Medical Devices Directive 93/42/EEC Annex-II Section 3

Certificate Number: 1984-MDD-16-402

We hereby declare that an examination of the under mentioned full quality assurance system has been carried out following the requirements of the national legislation to which the undersigned is subjected, transposing annex II (with the exemption of section 4) of the Directive 93/42/EEC on medical devices. We certify that the full quality assurance system conforms with the relevant provisions of the aforementioned directive.

Organization:

GEOTEK MEDİKAL VE SAĞLIK HİZMETLERİ TİCARET SANAYİ LİMİTED ŞİRKETİ

İvedik OSB Ağaç Metal İşleri Sitesi 1436 Sokak No:12, Yenimahalle Ankara, Turkey

Products: Sterile biopsy needles and sets, needle guides and kits, Double J ureteral stents, nephrostomy and drainage catheters, nephrostomy and drainage sets, ureteral catheters, dilators, stone baskets

The products defined at the enclosure which is the part of this certificate and contains two page. The certificate is valid till expiration date, subject to successful completion of periodical surveillance audits. Please contact Kiwa for details.

Identification number: CE1984

EC Certificate: 1984-MDD-16-402 **EC Certificate Validity:** 27 February 2024

The company **GEOTEK MEDIKAL ve SAGLIK HİZMETLERİ TİC.SAN. LTD. STI.**. herewith declares that the above-mentioned product meets all applicable provisions of the Directive 93/42/EEC. The product is safe under prescribed and reasonably foreseeable conditions of storage and use.

The company has implemented measures assuring that all products of the above mentioned type are safe and fulfill essential requirements of the 93/42/EEC Directive as amended by Directive 2007/47/EC. The company has instituted and keeps up to date a systematic procedure to review experience gained from devices in the post-production phase and to implement appropriate means for any necessary corrective actions. The company undertakes to notify through its Authorized Representative in EU member state the Competent Authority on any malfunction or deterioration in the product characteristics, performance or inadequacy in the instruction for use which might lead to death or serious damage of patient's health as well as on technical or medical reason leading to systematic recall of the product by manufacturer. If the device is modified without the agreement of the undersigned, this declaration becomes invalid in relation to the modified product.
