*Oley Medikal established as a manufacturer of radiation protective products in 2012 in Istanbul-Turkey. Oley Medikal has been successful in a short time as a reputable, respected and well known company in the field of radiation protective products.*

*As an independent and innovator manufacturer company, our well educated team still working on development and expanding our portfolio. Our priority is both maximum protection of user health and customer satisfaction.*

*Oley prides itself on quality products, each Oley Product comes with satisfaction guarantee.*

*Oley manufactured products are warrantied under normal use and service, to against from defects in material and workmanship for a period of one year from the original date of shipment by Oley.*

*We continue expand our family with our dealers day by day.*

# RADIATION PROTECTION APRON COLOR CHART

We use Medical Polyurethane Fabrics for our radiation protective products. Our special polyurethane fabrics are antibacterial, waterproof and hydrophobic; therefore they provide hygienic usage to users.

Polyurethane fabrics include a range of colors and provide a smooth touch. This special material provides a hygienic fabric to the user, while offering a super smooth and soft feel, making it comfortable to wear for long durations.
