The present Services Delivery Certificate is subject to a valid Service Delivery enablement held by the partner company. In the event the partner participation is suspended or terminated for part or all of the Service Delivery Segments above, the partner shall immediately refrain from representing himself (including through the use of the present certificate) as an accredited Partner or any similar capacity. Full accreditation of the partner is subject to additional qualification of the engineers for each of the above Service Delivery Segments. Certain Delivery Segments are limited to certain products only and the delivery is subject to the additional Terms & Conditions driven by the Partner Agreement.
