Material / MR-Kompatibilität

Aneurysmen Clips werden aus TITAN gemäß ISO 5832-3 oder PHYNIX gemäß ISO 5832-7 hergestellt. Beide Implantat-Werkstoffe entsprechen höchsten Qualitätsansprüchen. Alle Aneurysmen Clips sind MRT-kompatibel bis zu einer Feldstärke von 3 Tesla.

Rückverfolgbarkeit

aufgrund individueller Seriennummer auf jedem Clip.

Garantierte Schließkraft

Computergesteuerte Druckmessung bei einem Drittel der Maullänge und 1,0 mm Öffnung.

Optimaler Verschluss

durch pyramidenförmiges atraumatisches Maulprofil.

Material / MRI-Compatibility

The aneurysm clips are made of TITANIUM according to ISO 5832-3 or PHYNIX according to ISO 5832-7. Both materials for implants meet high quality requirements. Every aneurysm clip is MRI-compatible up to a field strength of 3 Tesla.

Retraceability

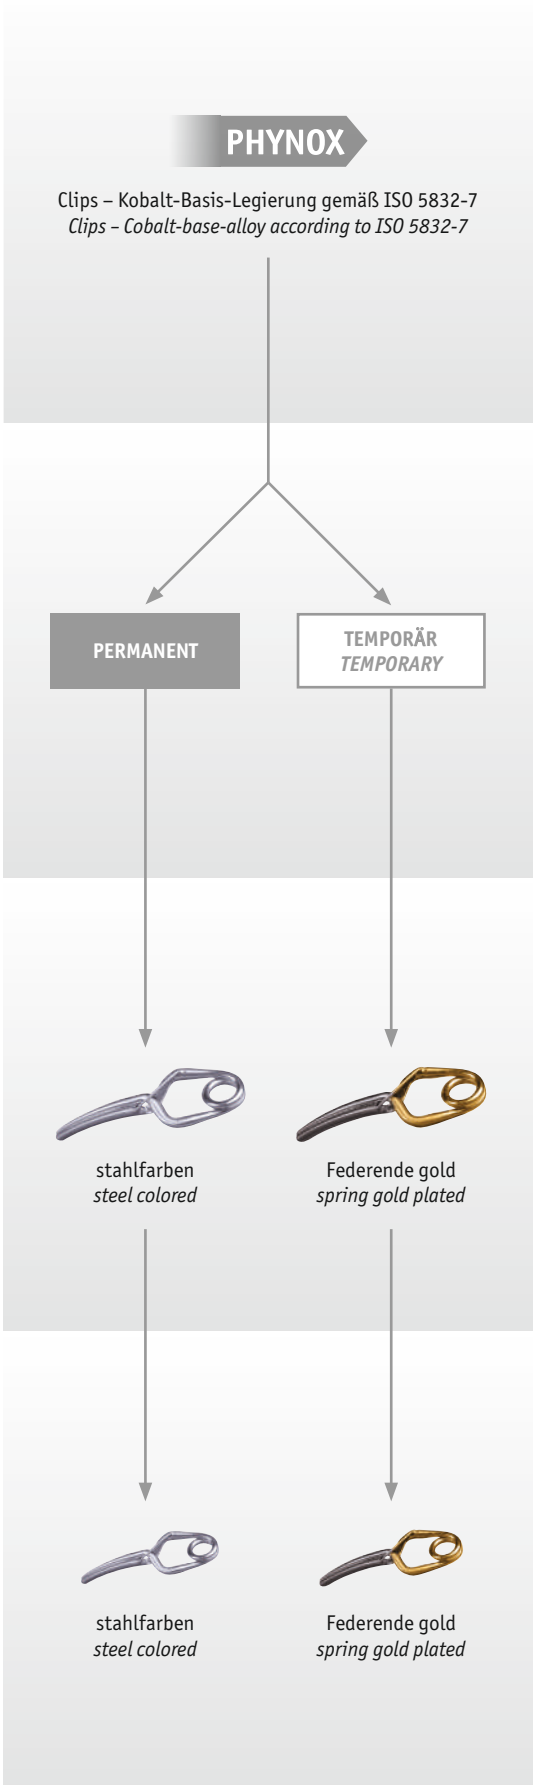

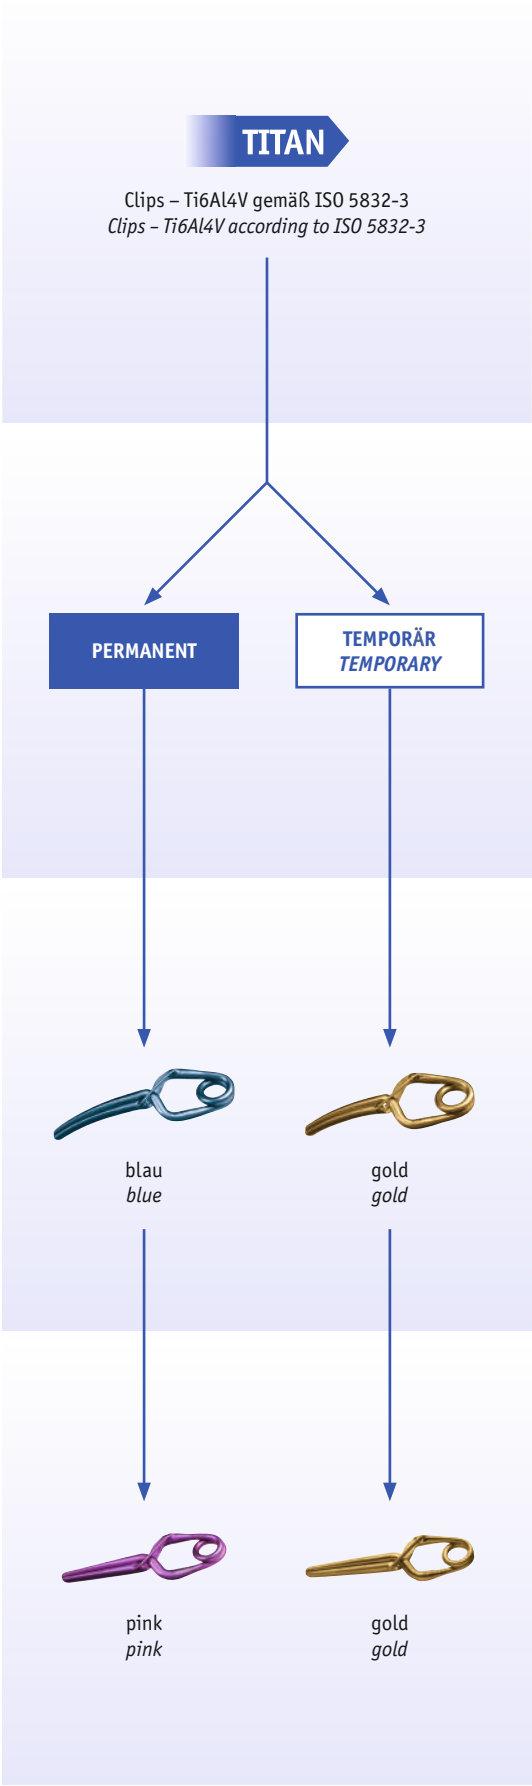

because of an individual serial number marked on each clip.

Guaranteed Closing Force

Computer controlled measuring of the closing force at one third of the jaw length and an opening of 1.0 mm.

Optimal Closure

because of atraumatic and pyramid formed profile of the jaw.

Memory Anlegezangen für STANDARD Clips

Der Memory Schaft kann flexibel gebogen werden.
 Bei der Sterilisation nimmt er seine ursprüngliche Form ein.

Memory Applying Forceps for STANDARD Clips

The memory shaft is flexible and can be bent.
 The memory shaft turns back to it's initial shape during sterilisation.

Kennzeichnung
Identification

Die Kennzeichnungsschilder für die Clip Lagerungstrays 06-20-002 und 06-20-022 ermöglichen eine einfache Identifikation und erleichtern das Einsortieren der Aneurysmen Clips.

Die Schilder für permanente STANDARD Clips sind **blau**, für permanente MINI Clips **pink** codiert. Für temporäre Clips sind die Schilder **gelb** codiert.

Identification tags for clip storage trays 06-20-002 and 06-20-022 allow a simple identification and help by sorting the aneurysm clips into the tray.

*The tags for permanent STANDARD clips are **blue** and for permanent MINI clips **pink** coded. The tags for temporary clips are **yellow** coded.*

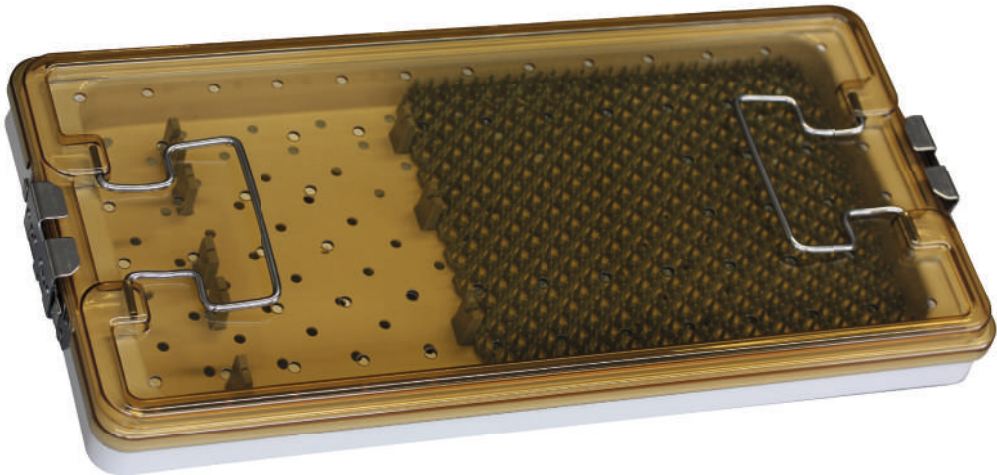

Bei Bestellung von Kennzeichnungsschildern bitte zusätzlich die Artikelnummer des Clips angeben.

When placing the order for identification tag, please add the article number of the clip.
