EU Regulation 1907/2006 (REACH) Compliance Declaration

19th of March, 2021

Vilnius

TELTONIKA TELEMATICS, UAB declares under our sole responsibility that our products are in compliance with Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

According to Article 33 of REACH, the manufacturer has the obligation to provide sufficient information to the consumer/recipient of the article if Substances of Very High Concern (SVHC) of Candidate List are contained in a concentration above 0.1% weight by weight (w/w). To the best of our knowledge, except for lead, the other SVHC are not present above 0.1% w/w in any article of TELTONIKA TELEMATICS UAB products. To determine which products are affected, see **Annex 1**. Safe use information of the products containing lead is presented in **Annex 2**. The declaration applies to the most recent additions to the Candidate List (last update 21.01.2021). The Candidate List of SVHCs can be found here: <http://echa.europa.eu/candidate-list-table>.

TELTONIKA TELEMATICS, UAB does not manufacture or import any of the substances, either on its own or in one or more preparation(s), in quantities of 1 tonne or more per year thus the obligation to submit registration to European Chemicals Agency under REACH article 6 is not applicable.

The total amount of the substance included in the Candidate List present in all articles produced and/or imported, which contain more than 0.1% (w/w) of the substance, does not exceed 1 tonne per year. Moreover, the substance in the Candidate List is not intended to be released under normal or reasonably foreseeable conditions of use. Therefore, notification obligation under REACH article 7(2) is not applicable.

To the best of our knowledge, none of TELTONIKA TELEMATICS, UAB products contain any substances subject to REACH Annex XVII restrictions.

Chief of Technical Support

  Karolina Juciute
