DR HELEWA VOMIT BAG WITH ABSORBENT PAD 600ML HYPOALLERGENIC (X20)

PACKAGING WORDING: EN - Vomit bag

DESCRIPTION

- Vomit absorption, confinement and elimination
- Ultra-fast absorption 600 ml/20 oz, «hand protection» device
- Infection control

TheAlveol Technology Vomit Bag 600 and its super absorbent pad collects and removes vomit under optimal hygiene and safety conditions whilst neutralising odours. Its 100% hand protection device and the super-absorbent 600 ml/20 oz pad prevents splashes and soiling of the user's hands or surroundings. Following use, the full bag can be easily removed, safely closed and be disposed in the household waste or according to the current protocol. The bag and its pad are dermatologically tested and are hypoallergenic.
