

Private Joint Stock Company
"INTERCORN CORN PROCESSING INDUSTRY"

120, Soniachna Naberezhna str., Dnipro city, Ukraine, 49022
tel.: +38 (056) 732-12-38, e-mail: intercorn@intercorn.com.ua
Public Joint Stock Company Raiffeisen Bank Aval, Kyiv city, Ukraine.
32616426, Acc. UA163808050000000026002426204,
Identification Tax Number 326164204687

Decision on state registration of capacity № r-UA-04-23-739 dated 17.01.2017

QUALITY CERTIFICATE № 7159909657

Producer name and address: PJSC "INTERCORN CORN PROCESSING INDUSTRY" 120, Soniachna Naberezhna str., Dnipro city, Ukraine, 49022

Buyer name and address: "RODALS" S.R.L., Moldova Republic

Name of products: **Maltose syrup**

Normative document: TY Y 15.6 – 32616426 – 008:2005 «Maltose syrup. Technical requirements».

Packing of products: cardboard drums 43L

Shipping: Car AX3557IM Truck AX8835XP

Production date: 04.10.2024

Expiry date: 03.10.2025

Batch number: HM5578-12-041024N

Net weight, kg: 10400

Date of issue of the quality certificate: 11.10.2024

№	Name of Parameter	Characteristics according to TY Y 15.6 – 32616426 – 008:2005	Norm according to specification	Measurements results
1	2	3	4	5
1	Organoleptic characteristics			
	Appearance	homogeneous viscous liquid	homogeneous viscous liquid	homogeneous viscous liquid
	Colour	from colorless to pale yellow	colorless	from colorless to pale yellow
	Odour	sweet without foreign taste, characteristic to product	sweet without foreign taste, characteristic to product	sweet without foreign taste without foreign odour
	Taste	characteristic to product	characteristic to product	
2	Colour, ICUMSA, units, no more than:	25,0		5,6
3	Total dry solids, %, not less than	78,0		78,4
4	Dextrose Equivalent (Lane-Eynon method), %	40,0		58,0
5	pH	4,0-6,0		4,8
6	Acidity [0,1 N NaOH/100g of DS], cm3, no more than	12,0		2,0
7	Sulfur Dioxide (SO ₂) content, ppm, no more than	10,0		5,7
8	Ash content (in d.s.b.), %, no more than	0,1		0,076
9	Glucose (dextrose) content (on DS), %	According to contract		17,9
10	Fructose content (in d.s.b.), % not less than	Absent		Відсутня
11	Maltose content (in d.s.b.), %	According to contract		57,3
12	Maltotriose content (in d.s.b.), %	According to contract		9,3
13	Higher sugars content (in d.s.b.), %	According to contract		15,5
14	Content of extraneous mechanical impurities	Not allowed		undetected
Food Safety Parameters				

15*	Arsenic (As) content, ppm, no more than	0,1	less than 0,0010
16*	Lead (Pb) content, ppm, no more than	0,2	less than 0,0010
17*	Mercury (Hg) content, ppm, no more than	0,01	less than 0,0010
18*	Cadmium (Cd) content, ppm, no more than	0,1	less than 0,0001
19*	Total Aerobic and Anaerobic Microbial Count cfu/g, no more than	1000	less than 10
20*	Pathogenic microbes including Salmonella, per 25 g	Not allowed	undetected
21*	Coliforms, per 1 g	Not allowed	undetected
22*	Yeast cfu/g, no more than	100	less than 10
23*	Mold cfu/g, no more than	100	less than 10
24*	Caesium-137 (¹³⁷ Cs), Bq/kg, no more than	50,0	4,0
25*	Strontium-90, (⁹⁰ Sr), Bq/kg, not more than	30,0	1,0

* - Testing is carried out in accredited or certified laboratory.

Test report for toxic characteristic № 3307 dated 26.08.2024 issued by SE "Dnirostandardmetrology" (certificate of accreditation №20047 dated 17.06.2024).

Test report for microbiological characteristics №24/6255 dated 16.09.2024 issued by the State Department "Dotsk and PC of the MoZ" (accreditation certificate No. 20514 valid until 10.03.2029)

Test report of radionuclide content №18502-5 R dated 22.02.2024 issued by SE "Dnirostandardmetrology" (certificate of accreditation №20047 dated 17.01.2023).

Test report for GMO content № 3292 dated 26.08.2024 issued by SE "Dnirostandardmetrology" (certificate of accreditation №20047 dated 17.06.2024).

Syrup is packed in a small package must be kept in closed warehouse or under protective apron, which is protected from sunshine.

One year from date of manufacturing.

Conclusion:

Maltose syrup meets the requirements of TY Y 15.6 – 32616426 – 008:2005 «Maltose syrup. Technical requirements».
