

SERVICE LICENSE

WE ARE PLEASED TO CONFIRM THAT

Mr. Medvedi, Simion
(“Holder”) employed by Temco (“Company”)

HAS SUCCESSFULLY COMPLETED THE TRAINING AND IS THEREFORE NOW
AUTHORISED TO SERVICE THE FOLLOWING PRODUCT IN THE RANGE OF THE
SPECIFIED LICENSE EXCLUSIVELY FOR THE COMPANY IN ITS CAPACITY AS AN
OLYMPUS AUTHORISED SERVICE CENTER.

Range of this license:

License number: **CDS310**

Product: **ETD4**

License scope: **ETD4, Troubleshooting**

License valid until: **31.03.2021 (“Validity Period”)**

The Holder will be registered and authorised for the Validity Period. At the end of the Validity Period new training is required to accommodate the technical development of the product as well as any other developments in the meantime. This license is not transferable. The Validity Period will end prematurely, with immediate effect if the Holder is not employed at the Company any longer.
