

QUALITY CERTIFICATE

The enclosed document is a statement of inspection based on the type of 3.1, according to EN 10204: 2006.

Certificate is confirming technical parameters, utility characteristics and origin of specified goods.

The document refers to the part of products indicated on the invoice only.

Certificate specification prepared according to applicable documents required in the international retailing and manufacturer laboratory research reports or independent certifying institutions.

Document number: CJ23011

Date: 6.04.2023

Goods name: Gasket Sheet F150 GREEN

Part of product: 771

Packaging:

Quantity: 10F; 15F; 20F; 30F

Technical parameters:

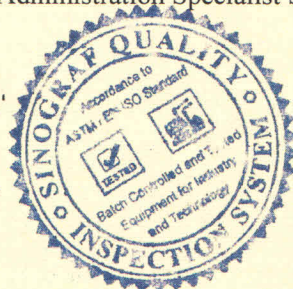

1. Density – 1,73 – 1,77 g/cm³
2. Compressibility – 8-18 %
3. Recovery - 40-50%
4. Tensile strength – 6-7 MPa
5. Working temperature - max 150°C
6. Material – mineral fibre, NBR
7. Format of the sheet - 1500x1500mm

Origin report: ET/22/014 z dnia 31.10.2022
