Düsseldorf, Germany

Official Sales and Distribution Authorization

To whom it may concern,

We, Vympel GmbH, with headquarters at Bahnstr. 17, 40212 Düsseldorf Germany, a member company of the Vympel Group, hereby affirm that Lokmera Ltd., with headquarters at MD-2028, Moldova, mun. Chisinau str. Gurie Grosu 9, is the sole licensed Vympel distribution partner in Moldova. As such, Lokmera Ltd. is the only agent authorized to sell, distribute, and provide technical support and service for Vympel products in Moldova.

Products covered under this authorization include (but are not limited to):

Analyzers

- CONG Prima-10
- CONG Prima-2M
- Hygrovision-BL
- Hygrovision mini
- FAS-W
- FAS-HC
- HyPro
- All gas preparation systems and accessories for these analyzers

Only those Vympel products purchased from Lokmera Ltd. are ATEX approved and covered by the CE Declaration of Conformity. In addition, warranty coverage is only valid for products purchased from a licensed Vympel partner, as are start-up and maintenance services.

All enquires and questions regarding Vympel products and support should be directed to Lokmera Ltd.

Sincerely,

Paul Lyon
Sales and Marketing Manager
Vympel GmbH

****PLEASE BE ADVISED****

Vympel products available for the Russian market are not suitable for use in Europe. These devices are not ATEX certified and are not included under a CE Declaration of Conformity. These products are not covered under warranty and are not subject to start-up and maintenance support.
