Konformitätserklärung nach der Europäischen Richtlinie für in-vitro Diagnostika (98/79/EG) des Medizinprodukte Gesetzes (MPG)

Ich erkläre, dass alle in Tabelle 1 aufgeführten in-vitro Diagnostika hergestellt durch

Declaration of Conformity according to European Directive on in vitro diagnostic medical devices (98/79/EC) of the Medical Devices Act (MPG)

I declare that all in vitro diagnostics in table 1 manufactured by

AESKU.DIAGNOSTICS GmbH&Co.KG

Mikroforum Ring 2

55234 Wendelsheim

Deutschland

im Einklang mit Anhang III, der Richtlinie 98/79/EG über In-vitro-Diagnostika hergestellt wurden, und dass alle in Tabelle 1 aufgeführten Produkte die Anforderungen für in-vitro-Diagnostika gemäß Anhang I der Richtlinie 98/79/EG erfüllen und daher mit dem CE-Zeichen gekennzeichnet werden dürfen.

Da diese Produkte nicht unter Anhang II der EU-Richtlinie fallen, muss das Medizinprodukt nicht von einer benannten Stelle zertifiziert werden.

Mitteilung unserer Produkte

Die Mitteilungen der CE-gekennzeichneten IVD-Produkte, die in Deutschland nach § 25 Medizinprodukte Gesetz (MPG) hergestellt wurden, sind unter dem Code 33/9001 bei der zuständige Behörde: DE/CA33 registriert.

Die Mitteilung der CE-gekennzeichneten in Deutschland hergestellten IVD-Produkte wurde unter den in Tabelle 1 aufgelisteten Codes registriert.

Qualitätsmanagement

AESKU.DIAGNOSTICS GmbH&Co.KG hat ein Qualitätsmanagementsystem für die Forschung/Entwicklung und Produktion von In-vitro-Diagnostika und Life Science-Produkten sowie deren Vertrieb etabliert. Unser Qualitätsmanagement nach ISO 13485:2012 wurde vom Institut für Zertifizierung und Prüfwesen BSI (Registrier-Nr. 0086) zertifiziert. Es umfasst alle Grundsätze der guten Herstellungspraxis (GMP), die in der Herstellung von medizinischen Geräten weltweit verwendet werden.

have been manufactured according to the Annex III of the European Directive on in vitro diagnostic medical devices 98/79/EC of the Medical Devices Act (MPG) and that all products in table 1 fulfil the requirements for in vitro diagnostics according to Annex I of the Directive 98/79/EC and therefore are allowed to be CE marked.

As these products are none of Annex II of the European Directive, the medical devices needs not to be certified by a competent authority.

Notification of our products

The notifications of your CE-marked IVD products manufactured in Germany according to §25 Medical Device Act (MPG) was registered under the code: 33/9001 at the competent authority: DE/CA33

The notifications of our CE-marked IVD products manufactured in Germany were registered under the codes listed in table 1.

Quality Management

AESKU.DIAGNOSTICS GmbH&Co.KG has established a quality system for the design/development and production of in vitro diagnostics and life science products as well as their distribution. Our quality management according to ISO 13485:2012 was certified by the Institute for Certification and Testing BSI (Registration no. 0086). It embraces all the principles of good manufacturing practice (GMP) widely used in the manufacture of medical devices.
