The Certification body has performed an audit of the above products quality system covering the design, manufacture and final inspection of the certified products. The quality system has been assessed, approved and is subject to continuous surveillance according to the Medical Devices Directive 93/42/EEC

**This certificate is issued under the following conditions:**

1. It applies only to the quality system maintained in the manufacture of above referenced models  
And it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions or the quality systems are changed.
3. The certificate validity is conditioned by positive results or surveillance audits.
4. The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of one sample of above mentioned product.

**The validity of this certificate can be verified at [www.rbscert.com/verify](http://www.rbscert.com/verify)**
