

## LETTER OF RECOMMENDATION

*To Whom It May Concern*

We would like to recommend Mr. Alexandru Chiriac as an excellent photographer who worked for ADA/UNDP Project "Supporting Moldova's National Climate Change Adaptation Planning Process" during the period 01.12.2015 – 12.12.2016.

He proved high professionalism and special abilities, being a very dynamic person, good at work, offering to the Project the best service. At the same time, he demonstrates commitment to ADA/UNDP's mission, vision, values and displays cultural, gender, religion, race, nationality and age sensitivity and adaptability.

Alexandru delivered best images with visually compelling composition based on photo shoot assignments directed by Climate Change Office Communication, Outreach, and Knowledge Management Consultant. And last but not least, Alexandru was assigned to take photos of several climate-related disasters such as flooding, drought, and others on incidental basis without Climate Change Office staff supervision.

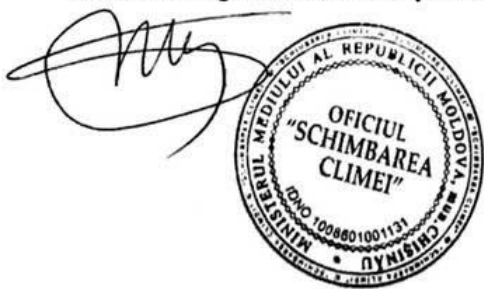

In addition to working on climate change adaptation photography, Alexandru also worked across our social media platforms. He helped shape our Instagram, Facebook, Twitter, Flickr and Issuu pages and engage users with viral content.

We look forward to working with him again many times over. We are certain that he will be an indelible asset to any photography project, and we recommend him without reservation.

Therefore, we would like to strongly recommend him for any professional projects in the future.

Respectfully Yours,

## PRIMĂRIA MUNICIPIULUI CHIȘINĂU

Nr. \_\_\_\_\_ din \_\_\_\_\_

### SCRISOARE DE RECOMANDARE

Primăria municipiului Chișinău adresează această scrisoare de recomandare pentru a-l prezenta pe domnul Alexandru Chiriac, specialist în domeniul foto și videografiei, cu un stil irepetabil și inedit.

Cu acest prilej, ținem să menționăm câteva din calitățile profesionale ale lui Alexandru Chiriac. Astfel, pe lângă nivelul înalt de pregătire tehnică, pentru realizarea materialelor foto și video, Alexandru face parte din categoria de persoane gata oricând să învețe ceva nou, să se perfecționeze conform tendințelor actuale în domeniu, cât și în alte domenii conexe, care îi sunt utile în activitatea zilnică.

E de menționat că, datorită perseverenței sale de a se autoperfecționa continuu, Alexandru Chiriac a reușit să câștige încrederea colegilor de breaslă, cât și a cetățenilor de rând, prin lucrările sale. De asemenea, i-au fost încredințate proiecte migăloase și complicate, iar unele dintre acestea necesitau activități de o mobilizare și responsabilitate sporită, în special coordonarea anumitor lucrări cu o durată restrânsă de timp.

Totodată, pe parcursul proiectelor în care a fost antrenat, acesta și-a folosit abilitățile de comunicare, stabilind contactele necesare pentru realizarea unor imagini foto și video deosebite.

Având în vedere cele menționate mai sus, recomandăm cu încredere pe dl. Alexandru Chiriac în calitate de specialist desăvârșit în domeniul fotografic.

**Ilie CEBAN**

**Viceprimar al Municipiului Chișinău**

## LETTER OF RECOMMENDATION

On my behalf, I want to say that I can safely recommend Mr. Alexandru Chiriac as a great photographer.

We have been working with him for two years (from 2016 to this period) and for all this time I am very pleased with his work. Mr. Alexandru gives a very high-quality material, works on photo reports very quickly, very responsible and punctual.

During this period he worked with us in approximately 20 projects and each delivery of the material was different from the previous one. I want to emphasize separately that Mr. Alexandru makes photos much more interesting than a real vision and very well sees the advantageous foreshortening of the car. Moreover, in our sphere it is very important to treat our customers correctly and respectfully, it is very easy and pleasant to communicate with him.

For the period of my work I can safely say that I am pleased with Mr. Alexandru Chiriac more than all the other photographers with whom I worked, and I consider him an expert in his work.

Respectfully Yours,  
Gheorghiev Veaceslav
