0200010	Anaesthesia workstation Leon plus Mobile Anaesthesia workstation on cart with 4 antistatic castors which are all lockable incl. * pull out writing shelf (A3) with lighting * Three drawers * Storage * Integrated battery for >100 min. Back up (fully charged) * Integrated ventilator (pneumatic driven, electronically controlled) * 15" colour LED, touch Screen * Integrated electronic gas blender * Built in O2 Cell * Mains cable -
0209830inst	neo software, volume guarantee 3ml tidal volume (installed) for Leon plus and Leon mri
0170107	Mains connection cable 3.0 m long 3x1.5 ²mm
0209003inst	central break system for Leon plus
0209004inst	option panel Leon plus with switch for fresh gas
0209220nd2ginst	gasbox leon plus (2-gas) "low pressure version"
0209100hul300	LM patient module with Flowsensors and APL Valve

0209360hul004	absorber complete, autoclavable
0205090-1	components for patient tubing system anaesthesia adult - reuseable / 1,5 m
66-22-150	19 mm adult breathing tube, both sides with vulcanized 22mm I.D. sleeve l=150cm, green, silicon, autoclavable
66-22-110	19 mm adult breathing tube, both sides with vulcanized 22mm I.D. sleeve l=110cm, green, silicon, autoclavable
0045011	connector, straight, 22mm OD/22mm OD, autoclav. 134 C (P/N 60-12-110)
0205016-1	breathing bag 2.3 l, silicone, transparent
0209210inst	vaporizer holder Selectatec type for Leon / Leon plus / Leon mri
0206040	vaporizer Delta Sevoflurane Quik Fil system with Selectatec holder incl. drain adapter for Quik-fill system
0206041	vaporizer Penlon Isoflurane Delta incl. drain adapter for Key-fill system Selectatec
0208651	AION Platinum AP Multigas Analyzer with automatic Agent ID and integrated Paramagnetic O2 measurement
0012000-211-500	pressure hose O2, 5m, ISO norm, with DIN gas plug and NIST connection, straight,gas plug with non-return valve
0012001-211-500	pressure hose AIR 5m, ISO norm, with DIN gas plug and NIST connection, straight,gas plug with non-return valve
0205095-1	anesthetic gas excess drain, complete, length 5m AGFS-DIN EN 737; 5m

0205013-1	AGSS plug DIN EN 737 (new norm) 45°
0209460	open scavenger system for anesthetic gas suction incl. 0209470, 0209581
300.847.000v1	test lung adult, autoclavable for anaesthesia and ventilation
56827305	B & V filter with HME (pack of 10)
0208632-2	gas measurement line, adult, 3m, disposable (change weekly) - ID = 1,5 mm independent from length. - Male Luer-lock connector (ISO 594-1/2) both ends - Material either PE or PVC coated with a layer of PE on the inner please heat-seal and label the bags
0208630ve10	water trap, adult, disposable (box of 10) (change monthly)
0209120v01	LM Flow Sensor - Anesthesia Leon, Leon plus. Leon MRI
0209900	basic equipment for Leon/-plus
v-0049	pallet for Leon / Leon plus/Lifetherm 2000 with ramp
ba-leonplus-r	user manual Leon plus romanian

Monitor with Standard accessories

0290510	patient monitor P22 incl. standard accessories 22" Display
0290524	P1-05 (Standard config + 2-IBP+Wifi+VGA+ nurse call / defibrillation sync./ analog output 3in1) for P1/P12/P15/P18/P22
0208585	GCX M-series arm length: 30,5cm, 5" Slide-In mounting for Leon / Leon plus
0290201bg	adapter plate Q7 / A5 / A8 for installation on monitor holder incl. screws
0290240	BIS module (with accessory kit) for P12/P15/P18/P22

ECG

0290261	5-lead snap connector ECG cable (IEC) (12pin) (AQ) (Encrypted) for P1/P12/P15/P18/P22
0290263	5-lead Snap Connector ECG Cable (AHA) (12pin) (AQ)(Encrypted) for P1/P12/P15/P18/P22
0290272	disposable adhesive electrodes adult ,snap connector, pack of 10 pcs. for P1/P12/P15/P18/P22

Nellcor SpO2

ds100a	SAO2 Fingerclip Sensor adult reuseable
--------	---

mc10	SAO2-connection cable for Nellcor
------	-----------------------------------

NIBP

0290283	adult cuff, large with connector M5125 (33cm-47cm)
---------	---

0290284	Adult Thigh Cuff with connector M5126 (44cm - 53cm) for P1/P12/P15/P18/P22
---------	--

0290372	NIBP PVC hose, 3m, with A series connector reusable for P1/P12/P15/P18/P22
---------	--

TEMP

0290360	thermal printer LM7 (including 1 roll 50 mm paper)
---------	---

0290295	reusable skin probe (A/Q Series) adult/pediatric/neonatal
---------	--

0290296	Rectal/ Esophageal probe (A/Q Series)
---------	---------------------------------------

IBP

0290309	UTAH IBP transducer interface cable with connector
---------	---

0290311	BD IBP transducer interface cable with connector
---------	---

BIS accessories

BIS adult quarto sensor 1 set
for P12/P15/P18/P22

BIS adult extended use sensor, 1set
for P12/P15/P18/P22

Y connector
15mm ID / 22mm OD
