

Distributor's Declaration Regarding the Existence of an Official Service Center in the Republic of Moldova

GAMMA Medizinisch-wissenschaftliche Fortbildungs-GmbH (hereinafter 'GAMMA') based at [3400 Klosterneuburg, Wasserzeile 35, Austria] as the manufacturer of [CADIAX® 4 complete system consisting of CADIAX® 4 (08-00G200), GAMMA Dental Software®, Version 'AM' (03-GDSWAM) and Condylograph Set (04-GCR309)], hereby declare that:

1. Official Service Center Availability:

An official service center for the **CADIAX® 4 complete system** is available within the territory of the Republic of Moldova, providing necessary maintenance and repair services for all products distributed by our company.

2. Manufacturer Support:

The manufacturer, GAMMA Medizinisch-wissenschaftliche Fortbildungs-GmbH, offers full technical support and assistance in case of any defects or technical issues that may arise with the products. This includes troubleshooting, repairs, and provision of necessary spare parts in accordance with the warranty terms and conditions.

3. Local Authorized Technical Service Provider:

All technical servicing within the Republic of Moldova is carried out by **Super-Dent S.R.L.**, the officially authorized service provider, located at **str. Columna 170, Chişinău, Republica Moldova**. Super-Dent S.R.L. ensures maintenance, diagnostics, repair services, and provides authorized support for the CADIAX® 4 complete system and associated components.
