Dear Sir / Madam,

TO WHOM IT MAY CONCERN

We hereby confirm that M/s JURA JSP GmbH of Austria is a technology supplier to Epic Lanka (Pvt) Ltd., who is the main contractor and supplier of the Passport Personalisation System at the Department of Immigration and Emigration, Sri Lanka.

Jura's IPI and LetterScreen security solutions are used on the national passports of Sri Lanka since 2003 to date.

Epic Lanka cohesively partner with JURA to implement the said high security solutions on the Sri Lankan Passport in 2003, and continue to obtain the technical, logistical and support services from JURA.

We have no hesitation in recommending the IPI and LetterScreen security features of JURA to use on any National Passport, Travel Document or Identity Documents.

Thanking you,

Yours faithfully,
