

BURETTES - "straight" - "class AS" - "conformity certified"

► Manufactured from pre-vacuum calibrated borosilicate 3.3 tubing according to ISO 385 standard. Calibrated according to DIN/ISO Class "AS" standard.

► Conformity mark ("DE-M") and batch number printed on the body surface. Batch certificate can be downloaded from website.

► Supplied with an interchangeable PTFE stopcock with identical keys which does not need "matching the pairs" during cleaning.

► Inscriptions and nominal values are printed with long lasting enamel color.

► Schellbach stripe featured with a narrow blue band which is at the center of the larger white band offers easier and accurate observation of the meniscus line.

The schellbach stripe has a narrow blue band which is at the center of the larger white band.

The light fraction creates two arrow head points which appear at the meniscus line level.

Meniscus reading point is exactly where these two arrow heads meet each other.
