

### Declaration on Product

Product: **GRANOTEN PKDZ9RZ, H2 1335 x 0,130 x 525mm 100 (natural)**

Quantity after of delivery sheet

Production date: 04. - 08.02.2026

Job number: **C260000244**

Mark of quality, Unit	Guaranted Value	Measured Value
Works Standard	PND 63-921 - 07	
Size and product construction	Tubular film with gussets 1335 x 0,130 x 525mm	fulfil the requirements
Average thickness, mm	0,126 – 0,134	0,129 – 0,134
Nominal thickness, mm	0,119 – 0,141	0,119 – 0,141
Folded width, mm	1327 – 1343	1335 – 1341
Side gusset width, mm	520 – 530	521 – 528
Gusset overlay, mm	Max 8	fulfil the requirements
Circumference toler., %	Max. 0,5	fulfil the requirements
Side winding shift, mm	Max 10	fulfil the requirements
<b>Physico-mechanical properties</b>		
Tensile strength at break of the film:		
- machine direction, MPa	It's not rules	29,0
- transverse direction, MPa	It's not rules	28,0
Relative extension at break of the film:		
- machine direction, %	It's not rules	804
- transverse direction, %		873
Min. shrinkage, MD	38	63 – 64
TD	30	40 – 43
The coefficient of friction, max.	0,25	0,25

Declaration about the product quality: The circumference corresponds to the Works Standard PND 63-921-07. The product is not suitable for direct contact with food.

Approved by: Adámek Milan, technician of quality
