* - Due to the restrictions related to the Covid-19 pandemic, from the beginning of the year 2021 until September 2021, all exhibitions were cancelled or postponed to a future period, and from September until the end of 2021, the participation of companies in exhibitions was very limited economically. Accordingly, the budgets for stands, even for national pavilions, were very limited and did not reach the amount of 60,000 euros.

It is specified the capacity in which he participated in the performance of the contract, which can be: sole contractor or association leader; associate contractor; subcontractor.
