Softline International
Attn.: Alexandru Cheptene
Bul. Stefan cel Mare 202
2004 Chisinau
Moldova

21 August 2019

Dear Mr Cheptene,

I hereby confirm that **X-Ways Software Technology AG** is the developer and therefore only source/provider of the computer forensics software products WinHex and X-Ways Forensics and update maintenance for the same.

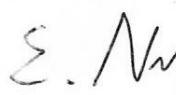

I also confirm that **Softline International**, Bul. Stefan cel Mare 202, 2004 Chisinau, Moldova, is an authorized reseller of X-Ways Software Technology AG in Moldova and entitled to quote and sell X-Ways products and provide related services.

I also confirm that we provide end users who purchased our products from **Softline International** with product updates if desired just like our direct customers for as long as their update maintenance lasts, which can be purchased together with the product and extended later.

Should you need any additional information regarding our company, products and services, please visit our website.

Regards

Eike Nitz
(Sales)
