

# IMPACT 100 Series

Enjoy more natural-sounding conversations and great quality audio with headsets designed for enterprises introducing Unified Communications. Experience the difference unique EPOS technology can make to your efficiency and well-being.

We are rebranding from EPOS | SENNHEISER to EPOS branding on our products.  
During the transition period the same product may exist in both versions

Certified for  
Microsoft Teams

Google Meet

AVAYA DevConnect

# Key Features

IMPACT 100 Series

A black and orange EPOS IMPACT 100 Series headset is shown from a three-quarter perspective, resting on a stand. The headset features a padded headband and acoustic foam ear pads. A microphone boom arm extends from the left ear cup. A coiled cable runs from the right ear cup. Callout lines with circular markers point to various features: 'Deployment friendly headset' points to the ear cups; 'Ensure quality sounding calls' points to the microphone; 'Enjoy great comfort' points to the ear pads; 'Protects your hearing' points to the ear cup; and 'Easy call management' points to the in-line call control unit on the cable.

Deployment friendly headset

Compatible with all other major Unified Communications platforms

Ensure quality sounding calls

With EPOS Voice™ and noise-cancelling microphone for natural, clear conversations

Enjoy great comfort

Ultra-lightweight headset with comfortable acoustic foam ear pads

Protects your hearing

From acoustic shock with EPOS ActiveGard® technology

Easy call management

With in-line call control unit to mute, adjust volume and answer/end calls

# What's in the Box

# How to Use the IMPACT 100

## Accept/end a call

## Redialing

# Additional benefits & features

**Optimized for communication and multimedia**  
With automatic sound-enhancement profiles

**Easy to store and transport**  
With protective carry pouch

**Optimal speech transmission**  
Bendable boom arm ensures optimal microphone position

**Switchable Noise at Work limiter**  
In compliance with EU Noise at Work Directive (Directive 2003/10/EC)

**Protects your hearing**  
From acoustic shock with EPOS ActiveGard® technology
