Letter of recommendation

Dear Madam/Sir,

I am writing to recommend PNA Software for their outstanding work in executing a new website for our organization, Centrul de Instruire Continuă în Domeniul Electoral (CICDE), located in Chisinau, Republic of Moldova.

As Director of CICDE, I have had the privilege of collaborating closely with PNA Software on our website development project. Their expertise, professionalism, and commitment to delivering high-quality results have far exceeded our expectations.

From the beginning, PNA Software displayed a deep understanding of our organization's vision and requirements. They listened attentively to our needs, ensuring that the final website design captured our essence and provided an intuitive user experience.

PNA Software's technical expertise is commendable. They leveraged modern web development technologies to create a visually appealing, functional, and responsive website. The result is a site that meets the highest standards of performance and is optimized for various devices.

Throughout the project, PNA Software maintained excellent communication and collaboration. Their professionalism and transparency fostered a strong sense of trust and confidence in their abilities.

Based on our experience, I strongly recommend PNA Software for executing modern, fast, and reliable websites. Their attention to detail, technical expertise, effective communication, and dedication to outstanding results make them an ideal partner.

If you require further information, please contact me at doina.bordeianu@cticde.md. I would be happy to provide additional insights into our collaboration with PNA Software.

Thank you for considering PNA Software for your website development needs. I am confident they will surpass your expectations and deliver a website that aligns perfectly with your goals.

Sincerely,

Doina BORDEIANU, PhD

Director of Centrul de Instruire Continuă în Domeniul Electoral
