New name

# SUMMARY

## ✓ EC CERTIFICATES

EC certificates for the new commercial names will be available for reading and downloading on company website: <https://www.biosintex.com/certificari/>.

## ✓ DELIVERIES

The batches bearing old or new commercial names can be sold equally depending on the availability of stocks and regulatory requirements.

## ✓ REGISTRATION UPDATING

All documents needed for updating the registration according new names will be provided per each distributors request.

## ✓ CONTRACTS UPDATING

The contracts in which old commercial names are specified, could be updated with Appendices, as per customer request and according conditions specified within contracts.

# SURGICAL SUTURES PORTFOLIO

## NON-ABSORBABLE SUTURES

Surgical sutures are available in various sizes and lengths, non-needed or attached to different types and sizes of stainless-steel needles.

## ABSORBABLE SUTURES
