

REFERENCE LETTER

To Whom It May Concern,

We would like to confirm that our company has experience working with construction products manufactured by QIS Yapı Kimyasalları A.Ş. within different types of building and infrastructure projects.

The products supplied by QIS include:

- QIS HYDRO MAX

These products have been used in applications related to airport projects, transportation and infrastructure works, industrial floor systems, waterproofing applications, expansion joint solutions, concrete maintenance and repair works, as well as other heavy-duty construction projects.

Based on the applications carried out, we can state that the products provided by QIS Yapı Kimyasalları A.Ş. met the expected professional standards and performed appropriately for their intended use.

We appreciate the cooperation with QIS Yapı Kimyasalları A.Ş. and recognize the company as a professional and reliable business partner for construction material supply.

Yours faithfully,
