

Dmitri Gherea
TV Producer

Chişinău, Moldova
+373 69225031

I have 13 years of experience in the field of television. I have as many years of experience working in directing. Along with the other members of the team, we produced numerous live broadcasts and recordings. I coordinated the entire directing team, set and from the field at major events, such as national and international elections, holidays and international, tragic events, concerts and other important events with high potential for television. I led the editing process: Worked with the director and other key members of the production team to ensure that the final product meets their vision and standards.

Supervised junior editors: Manage and mentor junior video editors, provided guidance and support as they work on individual projects.

Supervised the creative and production processes, including hiring video editors.
