Dear Alexandr and Victor,

**Re. ComponentSource Worldwide Value Added Reseller Agreement
with ComponentSpace – Agreement No: 100170 – Signed on 28th June 2002**

Confirmation of our Status

I am writing to confirm that:

1. ComponentSource has a current and valid Worldwide Value-Added Reseller Agreement with ComponentSpace.
2. ComponentSource is authorised to distribute and resell ComponentSpace products in the Republic of Moldova.
3. ComponentSource is authorised to distribute and resell ComponentSpace products as follows:
 - Directly to the End User in the Republic of Moldova with the full End User Licensee details being registered by ComponentSource with ComponentSpace.
 - Indirectly to the End User in the Republic of Moldova via or through a dealer or reseller located in the Republic of Moldova, provided that the dealer or reseller gives ComponentSource the full End User Licensee details in the Republic of Moldova to be registered by ComponentSource with ComponentSpace.

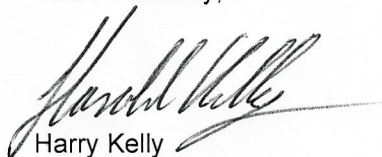

All sales are made on ComponentSource Terms and Conditions and the Publisher's software product End User License Agreement (EULA).

ComponentSource Terms and Conditions are available at:
<https://www.componentsource.com/help-support/about-us/policy-terms>

The ComponentSpace EULA is available at:
<https://www.componentspace.com/license-agreement>

If you have any questions regarding the above please let me know.

Yours sincerely,

Harry Kelly
Managing Director
