

Exact Medical offers custom capabilities in the design, development and manufacturing of medical devices for distribution worldwide.

As a multicultural company we do more than make surgical gowns, drapes. We offer our partners a peace of mind that we will deliver exactly what they need.

As the owner of the facility in China, we have the unique ability to control your manufacturing process and ensure the utmost in quality.

With Exact Medical, you'll have confidence in our people, our product, and our ability to provide you what you need, when you need it.

Exact Medical helps you realize the cost efficiencies of manufacturing in China, while adhering to rigorous international quality standards.

While China is a world away, you can be confident that when you put your trust in Exact Medical, you'll experience a world of difference

Exact Medical's mission is to offer:

- * Products with the highest concern for consistency in quality and delivery
- * Attentive customer service for a convenient experience
- * Product diversity and successful end result
- * An enhanced environment and opportunities for our employees

What we believe

Design

Whether you have your own product or need help from our experienced staff to develop a product, will customize our production to deliver exactly what you need.

Quality

Using a systematic approach to quality by monitoring every step of the way. This includes material sourcing, validation, production, packaging and delivery to achieve our customer's expectations.

Delivery

To overcome logistical challenges by providing each customer of ours an effective and efficient delivery plan and attentive customer service.
