

Bill of Quantities

- NRC has the faculty to contract all or part of the requested supply and works, according to budget availability.
- The supply and works should be the best available in the market.
- The Bidder should submit supporting documents concerning the proposed construction materials and works (i.e. catalogues, models, brands, drawings, technical documentation, technical specifications, etc. of the offered items);
- All the materials to supply and the works to execute must be approved by the NRC Representative and the Technical Supervisor representatives prior to delivery and execution.
- Costs must include all duties, taxes and other levies payable by the contractor under the contract and all mobilization costs specified in Section 2.

Please refer to Annex A for detailed BoQs for each Lot.
