

# Interactive Flat Panel

Android 15.0

Interactive Panel is an all-in-one smart board supporting Android & Windows operating system, widely used in education and business to enhance learning and collaboration, allowing for more dynamic and engaging presentations.

The popular sizes are 65" 75" 86" 98" 110". It adopts infrared touch and zero-gap bonding technology, enhance the writing accuracy and faster respond that make a better user experience.

Official Website

4K

## 4K Original Panel

Zero-bonding makes writing more accurate, with A grade 4K touch panel.

## Super Operation

AI Chips RK3588, Cortex-A76\*4+A55\*4 Octa-core CPU, 2.4GHz

## Wireless Screen Share

Wireless screen share up to 9 devices (iOS, Android, Windows).

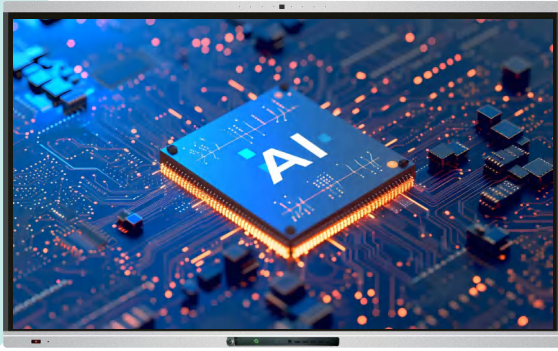

## OTA Update

Providing OTA firmware and software feature updates.

## Slide Lock Design

Slide lockable design to protect I/O ports, dust-proof and waterproof.

## AI-Powered Android Chips

High performance CPU RK3588 support Android 15.0 system with 8 core CPU, support AI-powered tools.

## Multi Users & Convenient Presentation

Smart writing interactive whiteboard supports 20/40 points finger touch, with easy annotation and gesture eraser.

Gesture  
Eraser

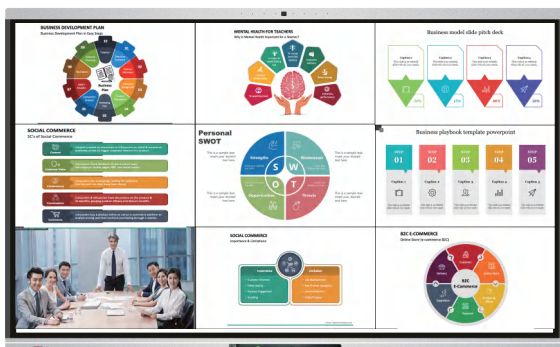

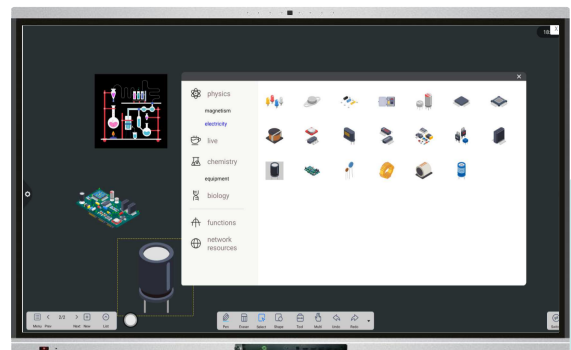

## Multi Tools

Multifunctional and popular tools included in the whiteboard software, eg. insert pictures, chart, math tool, mind map, vote, import online content etc..

## Rich Teaching Resources

It supports rich inbuilt and online teaching content and resources, convenient for teaching.

## Wireless Screen Share

9 users screen share simultaneously supported. It supports to share local screen to selected members in group, also supports reverse control of local screen and annotation.

General Technical Parameters

|                        |                                                                                                                                                                                                     |                                                                           |                  |                   |                   |
