

SAMAY
Surgical

An **ISO 13485:2003**
Certified Company

Mfg. : Orthopedic Implant & Instruments

Samay Surgical is one of the most reputed and rapidly growing orthopedic companies in India. We have been in business for more than a decade and have been continuously innovating and improving our products. Our main focus areas are Surgical instruments and implants and of late we have also been diversifying in the design and manufacture of Surgical equipments. While our dealer network spans almost all of India.

Samay Surgical is a leading manufacturer of quality surgical equipment for high surgical requirements. Our offering includes surgical, dental that are designed as per the international quality standards & medical parameters. We aspire to become a Global Healthcare' brand identity synonymous with nurturing healthcare, eternal values, strong ethics and global quality of highest standards in surgical equipment.

Samay Surgical is a leading manufacturer of quality surgical equipment for high surgical requirements. Our offering includes surgical, dental that are designed as per the international quality standards & medical parameters. We aspire to become a Global Healthcare' brand identity synonymous with nurturing healthcare, eternal values, strong ethics and global quality of highest standards in surgical equipment.

Samay Surgical is known synonymous with high quality, efficient service and close correspondence with its customers. Its success depends upon those who work for it and equally on those who work with it. The company is growing in an evolving industry and Mr. MAHESH GODHASARA has promised itself to stay up to date with changes. After all, a successful company will produce successful clients and successful clients will produce a successful company.

The catalog contains our standard line of products, it is based on modern market requirements and consists of commonly used sizes, materials and configurations, Samay Surgical, as a full cycle manufacturer of orthopedic implants and instruments, ISO 13485 certified and in compliance with MDD 93/42/ECC is producing by request additional sizes and configurations, all additional sizes are CE marked and covered by our ISO and CE certification.
