

VOGN (Coated Steel Anesthesia Cart)

Anesthesia Cart

TECHNICAL SPECIFICATION DATA SHEET

VOGN CS-AC Anesthesia Cart comes to anesthesia departments with a different perspective with its sharp design and ease of use. In addition to its reliable performance, it is also helping hospital staff with its fast work flow and improved features. The anesthesia trolley is made entirely of metal body. Drawers and top made by high quality HPL. It provides maximum security thanks to its unique detachable locking arm and provides easy access in emergency interventions.

With the help of 12.5 cm diameter wheels, it provides stable, fearless and easy maneuvers.

Accessories: IV Pole, Oxygen Tanks Holder, Waste Bin, Sharp Box, Transparent Glass Box for Medicine
