

SENNHEISER

HD 400S

Music &
Calls

Foldable

The HD 400S features a one-button smart remote conveniently located on the cable, which allows you to control music and take calls with ease, and the sturdy folding design makes these headphones durable and compact enough to be taken anywhere. Sennheiser dynamic drivers deliver a well-extended sound response with dynamic bass.

This product is the successor of the HD 4.30 series, reducing product complexity with the cross-compatible one-button remote and reaching an attractive price point.
