## Re: Whom it may concern

We, Aqua zeta OU, authorized by Grundfos Italy to sale and provide aftersales services, has appointed our partner in Moldova republic to participate in tender for submersible pump for Apa Canal Chisinau.

According standard Grundfos policy, period of warranty is 24 months from installation but limited to 30 months of production. We will extend it on our cost to maximum of 36 months from production

Each additional year of warranty (called extended warranty) according Grundfos policy cost 4 % of product value.
