ADVANCING PERFORMANCE

The Export Advance™ aspiration catheter delivers consistent, high-performing aspiration power when it matters most – restoring flow and protecting patients.

PRODUCT DETAILS†

Superior Deliverability¹

Full-Wall Technology provides variable levels of stiffness without joints, for optimal kink resistance and catheter performance.

Dependable Delivery to the Target Site:

- Preloaded stylet enhances shaft stiffness during catheter delivery, boosting kink resistance, trackability, and pushability²
- Buddy wire compatibility allows for extra support, when needed.†
