RECOMMENDATION LETTER

TO WHOM IT MAY CONCERN

It is with much enthusiasm that I am writing to recommend the services provided by RETROCONS SRL (www.brand.md). We are using their services for some years and I have always been completely satisfied with their performance.

RETROCONS does a good job. They are punctual and offer one of the most competitive rates. The website www.eu-advisers.md designed for us by them helps a lot and is very easy to manage and upload content, operate any necessary changes. It is indeed a pleasure to work with them.

Besides, they are always very responsive to any inquiries that we as content managers have and are always willing to help.

RETROCONS reunites high level talented professionals in web building and affordable opportunities for a large spectrum of clients with individual approaches. They develop the principle of friendly using digital platforms in running different types of businesses. I am happy to recommend their services.

Sincerely

Ian Pustovaia, Communication Manager

RECOMMENDATION LETTER

To whom it may concern

Working with RETROCONS is easy and efficient. We contracted them after a long and difficult pitching process. Besides their great reputation, we got some recommendations from our partners as well regarding RETROCONS. Our business is online based, so we needed somebody to fully understand our needs and to offer us the best solution, without any compromises.

RETROCONS staff care about each customer, dedicating time and effort in order to feel and test the product/service, by bringing best practices and creating customized and effective solutions.

Sincerely,

Iurie Fala

Recommendation Letter

I have the pleasure to write the recommendation letter for Retrocons' SRL Team, and I would like to express my respect and appreciation for this Moldovan based ICT Company.

We worked with Retrocons' Company during their involvement within several projects contracted activities such as development of the web site, information systems.

Retrocons' company revealed itself to be enthusiastic and motivated team of professionals with advanced ICT expertise, strong analytical, organizational and communication skills.

Taking in account all above mentioned, I highly recommend Retrocons SRL - as reliable partner I am sure of its ability to put the experience gained during years of activity to do the best.

Sincerely,
Isae Spinu
