COMPANY PROFILE

SCW MEDICATH LTD. is a high-tech enterprise specializing in production, research and development, and sales of medical catheters and accessories. Established in 1996, the company employs more than 600 people and has three factories in China, with a total plant area of 86,000 square meters, class 10,000 clean room of 86,00 square meters, class 100,000 clean room of 1,500 square meters.

SCW products are divided into six categories (anesthesiology & critical care products, interventional products, medical imaging products, obstetrics & gynecology products, urology products and orthopedic products), with more than 60 different products sold to more than 5,000 hospitals in China and exported to more than 80 countries. The company has obtained CE, ISO and EU FSC certifications, as well as individual product registrations in more than 20 countries, including Brazil, Colombia, Greece, Saudi Arabia, Russia and Indonesia.

The company is invited to major medical exhibitions at home and abroad every year, including MEDICA, ARAB HEALTH, FIME, CMEF.

COMPANY CULTURE

Customers first, market focused. We are always dedicated to establishing an excellent Chinese brand and to constantly improve global health care.

Service concept

Abide by the people-oriented and population-driven business concept, then to respect humanism and improve people's lives.

Talent concept

Uphold the concept of respecting talent value, exploring talent potential, and sublimating their souls.

Management concept

Based on the concept of cross-functional learning, multi-position training, and all-round cooperation.

Products concept

To persist the concept of better, stronger, and pursue higher medical quality and efficacy. SCW invests about 10% of annual sales in research and development to create new products every year.
