# JAC MOTORS

FORGE AHEAD , DREAM FUTURE

*Whatever Your Job Needs,  
The Sunray Works.*

**JAC**  
V series

Your satisfaction is our highest priority

Super long warranty

Ultra low fuel consumption

- China Anhui Jianghuai Automobile Co., Ltd was founded in 1964.
- Annual production capacity of 1,000,000 units and engine annual capacity of more than 800,000 units, ranked as the top 10 in Chinese auto industry.
- Over 33,000 staff, 6 billion USD annual revenue.
- Products include light, medium and heavy-duty trucks, Van, MPV, SRV, sedan, bus chassis, buses, engineering machinery, engines, gearboxes and other key components.

Sunray is a true partner you can always rely on to support you

Spare part service

Global network

- **Closed-** Meet carriage condition
- **Environmental protection-** Meet emission standard
- **Development-** Meet a variety of vehicles refitted
- **Beautiful-** Meet image construction of the city
- **Safe-** Meet safety policy
- **Flexible-** Meet the road regulation

## Outstanding design

The styling of JAC multi-van is designed and developed by JAC's Turin, Italy Design Center, while the interior is designed by the Tokyo, Japan Design Center using European advanced products as the benchmark.

## World class production line

High reliability derived from manufacturing  
Highly automated production line  
High-precision, high-quality, high-efficiency of laser welding

# JAC

ITALY DESIGN CENTER

**Best in its class**  
– with the largest range of variants.

When we designed the Sunray, we took on board all the ideas that can help to make your everyday work easier. Whatever your transport requirements, your Sunray makes it possible – even if it involves carrying luggages and proper sliding doors for passenger moving. Sunray makes loading and unloading your transport even safer, even more efficient and even more convenient.

# Golden Power

Carries a lot, consumes a little

Sunray has various diesel engines come with a high-mounted 6-speed manual transmission, and 2.7 golden power engine comply with strict Stage V emission standards.

2.7CTI Diesel Engine

1.9CTI Engine

# Big on load space Big on safety

• ABS+EBD

• More than 40% of high strength steel plate

• Wading test

• Integrated road reliability test

## Intelligent features that make life easier

The Sunray raises the feeling for vans in this class, with its outstanding range of innovative and thoughtful features. With convenient accessibility for first-class seats, independent A/C, plenty of storage, etc.

# Sunray styling

## Shining design

### • Highlight front face design style

Soft outside line for headlights and front fog lights; inverted U-curve, the natural front angle of the windward side, ultra-low drag coefficient; dynamic and enterprising.

### • Seaview side windows

Unique and beautiful, wideview, reducing the wind resistance and wind noise.

### • Double curvature eagle eye headlights

Eagle eye design highlights show the spirit while halogen headlights offer good penetration to ensure safe driving on foggy day. They provide easy maintenance and low cost.

### • Reversing radar warning system

Reversing radar warning helps you determine the distance between your vehicle and obstacles at the rear, for easier parking.

## Good for the working environment and your operating costs

## Recreation Vehicle

Love travelling, Love adventure

The Sunray recreation vehicle normally includes a range hood kitchen, a shower bathroom and one or few sleeping facilities.

Sunray recreation vehicle is characterized by a strong desire to experience the outdoors and socialize with other campers while still retaining the comforts and conveniences of a familiar domicile.

# Ambulance Van

Technology pioneers, Mobile medical expert

Item Name	Standard	Amount
<b>Oxygen supply system</b>		
• Steel oxygen bottles		10L*2
• Oxygen decompression inhaler with floor meter and pressure meter	WS/T292-2008 / CCC / GB-8982/ GB-5099 / GB-11650/ YY/T 0187-94	2 set
• Oxygen tubing		1 set
• Oxygen flowmeter with humidifier		2 set
• Stainless steel oxygen bottle holder		1 set
• Oxygen quick plug terminal		2 set
<b>Internal Electrical and Lighting</b>		
• UV germicidal lamp	WS/T292-2008 / CCC	1 set
• Vehicle wire harness		
• Deck switch		
• 12V socket		2 set
• LED strip lights		
• LED spotlight		
• Rear spotlights		1 set
• Overhead exhaust fan	2 set	
• Internal megaphone		1 set
<b>Stretcher system</b>		
• Ambulance stretcher	WS/T292-2008 / CCC / CE	1 set
• Stretcher guide plate		
• Stretcher locking device		

The Sunray ambulance offers a suitable tool for all primary care needs, whether the ambulance is used as an acute operation or transportation unit.

We focus on ensuring your and your patients' safety. The safe ambulance built on JAC Sunray chassis offers treatment facilities, materials and ergonomics of guaranteed Sunray quality.

## School Bus

Nothing but only with safe

The Sunray school bus responds to more stringent regulations adopted by government. Ever since the adoption of yellow as a standard color, school bus deliberately integrate the concept of conspicuity into their design. Sunray school bus are equipped with flashing lights and a stop sign in order to stop traffic.

Three-point seat belt

Traffic recorder

Airbag

## Engineering Van

Emergency expert in urban engineering

## Service Van

Mobile maintenance expert integrating emergency rescue and quick service

# Refrigerated Van

Best choice for fresh transportation, Mobile station for city refrigeration

# Police Van

Security safeguarding experts

# Plenty of space for all your needs

With the European mainstream hybrid chassis design, the body of Sunray has three kinds of short wheelbase, long wheelbase short overhang and long wheelbase long overhang; the height with low roof, middle roof and high roof. It is worth of solution expert for multi demands.

Offering a variation in body styles and roof heights, there's a Sunray to suit your needs. With seats ranging from 1 to 18, Load space from 7.5m<sup>3</sup> to 12m<sup>3</sup> and optimum towing capability, the Sunray is prepared for almost any challenge that comes its way.

7.5m<sup>3</sup>

11+1  
seats

10.5m<sup>3</sup>
