

## CONFIRMATION LETTER

Date: January 9<sup>th</sup>, 2026

In the context of the public procurement procedure organized by the **Public Services Agency (ASP)** for the acquisition of

**Servere și sisteme de stocare (perioada 2024-2026)**, [ods-b3wdp1-MD-1766067896113](https://www.ods-b3wdp1-md-1766067896113),

**HUAWEI TECHNOLOGIES**, hereby confirms the following:

1. Huawei official certification programs for the **Enterprise Storage** domain are structured around **enterprise platforms and product families**, with the purpose of validating specialists' competencies in the installation, configuration, operation, and maintenance of enterprise storage systems.
2. Huawei Enterprise Storage certifications are not issued for individual commercial models but instead apply to and cover the entire range of Huawei Enterprise Storage systems.
3. In this context, we confirm that all Huawei Enterprise Storage certifications (namely below certificates submitted):
  - Certificate No: 010100901809262371409;
  - Certificate No: 010100901535809259011409;
  - Certificate No: 03021601535810047211409;

Are applicable and fully cover the **storage system model offered within the above-mentioned procurement procedure**, namely: OceanStor Dorado 5000.

4. Specialists certified in the Huawei Enterprise Storage domain are authorized to perform installation, configuration, operation, maintenance, and technical support activities for the above-mentioned model, in accordance with Huawei's policies and technical standards.

This letter is issued for information and technical confirmation purposes only, in the context of the above-mentioned public procurement procedure.

Sincerely:

Guo Min

Director

ICS Huawei Technologies SRL
