Heated Wire Circuits

YOUR BEST PARTNER

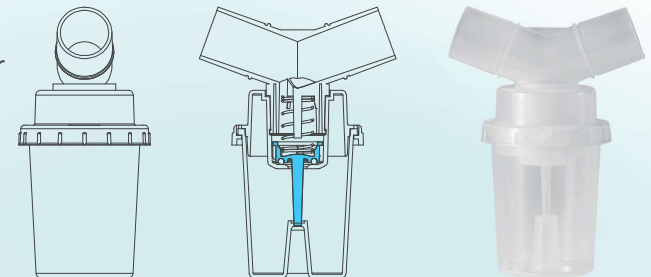

D.C. Medical heated wire circuit as an excellent solution to respiratory humidification. Full series compatible with F&P MR250 (and warmers with similar design). Unique and dedicated design ensure ease of use for healthcare professionals, and mean time, secure safety and efficacy for patients

Unique water trap design

- Circuit auto-seal mechanism, care-free water pouring
- Less ventilator alarm^a
- Less opportunistic infection^b

a. Compared with non auto-seal water trap model

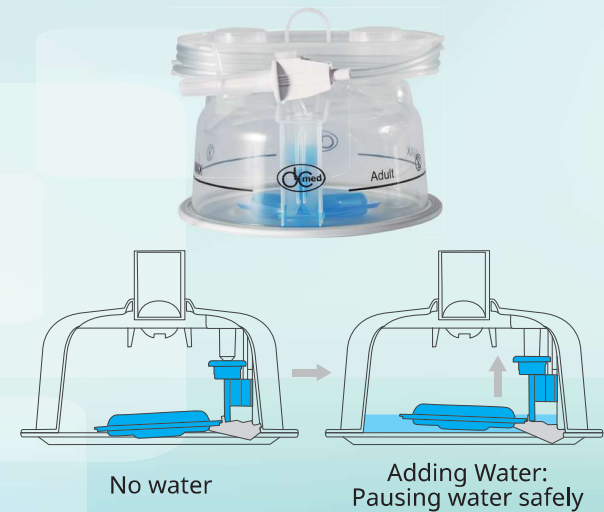

b. Respiratory Care May 2019, 64 (5) 545-549

Patented auto-refill chamber

- Automatically keep water in a steady level^a
- 100% tested during production, hassle free, load and forget^a
- PP materil, zero BPA, zero interference to human body, safe for all ages

a. DC Medical, production and inspection standard operation process

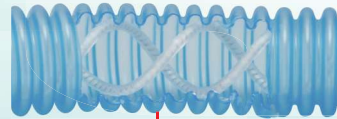

Optimal wire length

- Efficient and stable heating
 - Superior heating function, 21% faster in reaching 37 degree celcius^a
 - Less condensation inside circuit, 20% reduction in the volume of water^b

a. Compared with economic alternative

b. Respiratory Care May 2019, 64 (5) 545-549

Unique combination of material

- 21%-44% less expansion against pressure^a
- Air-tight without adhesive/sealant, zero leakage under 60mmH2O^b

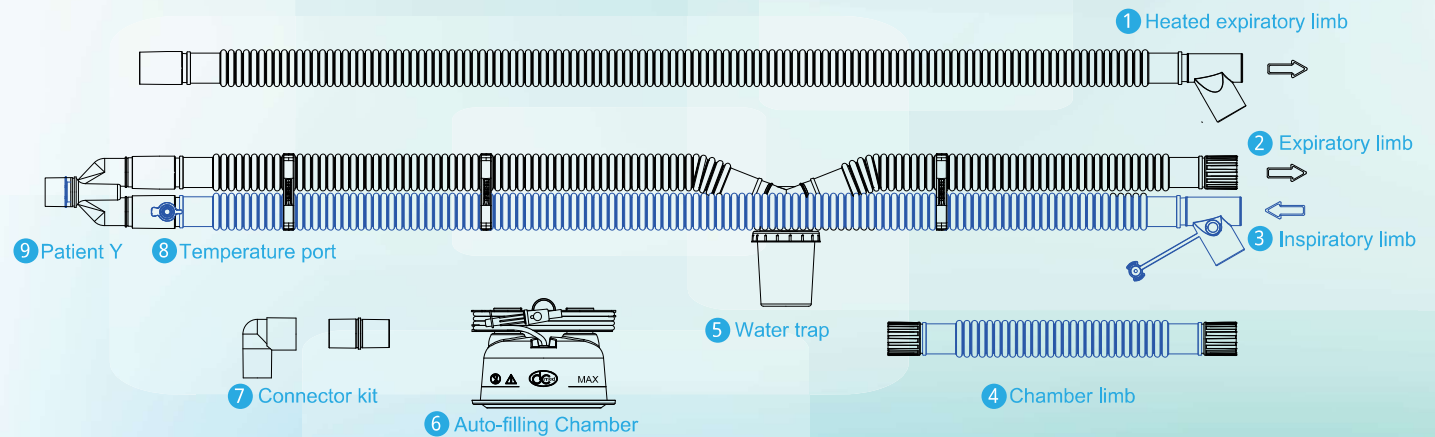

a. Compared with common PP circuit

b. DC Medical product master file

SPECIFICATION

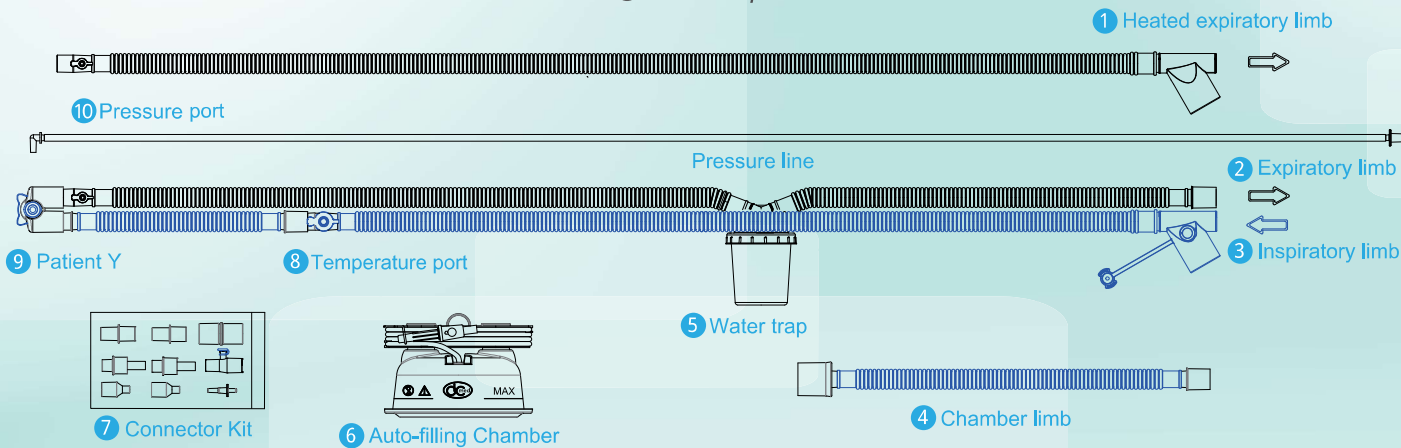

ADULT

- 1 Heated expiratory limb: 150cm
- 2 Non-heated expiratory limb: 90 cm + 60cm
- 3 Inspiratory limb: 150 cm, 22ID, MR850 system chamber adaptor
- 4 Chamber limb: 60 cm
- 5 55ml Water trap 22 mmOD
- 6 Auto-fill chamber connection ports: 22 mmOD
- 7 Connector kit: straight connector, 22mmOD; elbow connector, 22 mmOD, 22 mmID
- 8 Temperature port: 7.6 mmID
- 9 Patient wye connector :22/15 mm

NEONATE

- ① Heated expiratory limb: 140 cm
- ② Non-heated expiratory limb: 90+60 cm
- ③ Inspiratory limb: 110+30 cm, 22 mmID, MR 850 style humidifier adaptor
- ④ Chamber limb: 60 cm
- ⑤ 55ml Water trap 10 mmOD
- ⑥ Auto-fill chamber connection ports: 22 mmOD
- ⑦ Connector kit
- ⑧ Temperature port: 7.6 mmID
- ⑨ Patient wye connector: 15 mmID
- ⑩ Pressure port

ORDER INFORMATION**ADULT**

REF	Heated Wire	Description	Package	Accessory
3410	Insp.	Single Heated Wire Circuit	1 set/bag, 10 sets/carton	Chamber included
3420	Insp. & Exp.	Dual Heated Wire Circuit	1 set/bag, 10 sets/carton	Chamber included
3411	Insp.	Single Heated Wire Circuit	1 set/bag, 10 sets/carton	
3421	Insp. & Exp.	Dual Heated Wire Circuit	1 set/bag, 10 sets/carton	
3413	Insp.	Inspiratory Heated Wire Circuit	1 set/bag, 15 sets/carton	Chamber included
3490		Auto-filling Humidification Chamber	1 set/bag, 40 sets/carton	
3493		Manual-filling Humidification Chamber	1 set/bag, 40 sets/carton
