CABLE SEAL

	Number	TXCS
	Material	Aluminium alloy,iron, A3 wire rope
	Diameter	5.2mm
	Fabrication process	Electrostatic spraying
	Color	red, yellow,orange,blue,green and so on
	Cable material	A3 steel
	Cable length	Customized
	Cable specification	7*7
	Printing type	Laser marking
	Marking contents	Numbers,Letters,mark,bar codes
	company certificate	ISO9001,ISO14001,OHSAS18001
	Application	Supermarkets, oil, containers, Railway containers, meter boxes, bank purses and so on
	Capacity	1000000pcs/year
	Packing	10pcs/plastic bag,100pcs/carton

Length of the steel cable: 550 mm. Length of the fixing mechanism:
35.5 mm. Diameter of the steel cable: 5.2 mm. Breaking strength,
which can withstand ZPU without destruction: not less than 18 kN.
Weight with 550 mm long steel cable: no more than 0.20 kg.
