BASS SYSTEMS SRL
T.Ciorba 14/1

Chisinau, MD-2004 Moldova

17th April 2014

To whom it may concern:

Materna GmbH is one of the leading owner-managed IT service providers in the information and communications technology sector. Our customers include IT departments and user departments in large and medium-sized companies as well as in public sector organisations.

We successfully cooperated with BASS SYSTEMS in a project for a public sector organization in the last year.

We confirm that BASS SYSTEMS is a reliable partner along this complete value-adding chain, delivering everything from concept design and project management through to implementation as well as providing training, operations, maintenance and support services.
