

Emergency Cart

TECHNICAL SPECIFICATION DATA SHEET

EMC Emergency Cart comes to emergency departments with a different perspective with its sharp design and ease of use. In addition to its reliable performance, it is also helping hospital staff with its fast work flow and improved features.

The Emergency Cart is made entirely of metal parts. It provides maximum security thanks to its unique detachable locking arm and provides easy access in emergency interventions.

With the help of 12.5 cm diameter wheels, it provides stable, fearless and easy maneuvers.
