DECLARATION

31 July 2025

Compatibility with Endoscope Manufacturers - endoCleaner

To Whom

This is to formally declare that the endoCleaner system is compatible with all major flexible endoscope brands that comply with ISO 15883 and other relevant international standards. In addition to well-known manufacturers such as Olympus, Fujinon, Pentax, and Karl Storz, the endoCleaner is also compatible with other ISO-compliant endoscope brands, including but not limited to:

- SonoScape
- Aohua
- XION
- Hawo (Hawomed)
- Richard Wolf
- Other compatible brands adhering to international standard dimensions and connection protocols.

Compatibility is ensured through standard connectors, validated cleaning and disinfection cycles.
