

**Certified to EC Regulation 461/2010
Car Block Exemption**

Our Precision, Your Advantage

We hereby confirm that the products supplied by KYB Europe GmbH all fulfil the quality requirements applicable to the use of spare parts for the repair or maintenance of motor vehicles by auto garages, as defined in European Commission Regulation 461/2010 on the application of Article 101(3) of the Treaty on the Functioning of the European Union to categories of vertical agreements and concerted practices in the motor vehicle sector.

The use of KYB products is allowed for the maintenance and repair of vehicles, including during the warranty period, without forfeiting the vehicle warranty.

- KYB Shock Absorbers
- KYB K-Flex Coil Springs
- KYB Suspension Mounting Kits
- KYB Protection Kits
